Plunge into Reading

Syracuse Elementary Winter Fundraiser

Plunge into Reading

The Syracuse Elementary PTO is hosting a winter fundraiser READaTHON that will run 3 weeks long starting on February 8th and ending on February 26th. The purpose of this event is to encourage students to develop a lifelong love of reading while raising money to support our school.

Each grade level will make a personal goal for reading each week. Students will be responsible for logging their minutes read, getting a parent/guardian signature, and turning in the attached reading log to their teachers each week.

Students will be encouraged to collect **flat pledge amounts** to support their reading goals. Each grade level will compete for the highest dollar amount of donation and classroom winners will be rewarded with a donut and hot cocoa party!

Our school wide goal is 3,000 dollars! If students reach this goal, Principal Speicher and Officer Leach, will polar plunge into one of our area lakes!!! Brrrrr!

(students will view the video feed from their classroom)

THANK YOU for your support in helping students take the "plunge" into reading!

(100% of proceeds will go directly to the school to purchase new technology, educational tools, and classroom support.)

Student Pledge Form

Personal reading goal for (Students Name) _____ is to read _____ each week for 3 weeks from February 8th to February 26th. (Kindergarten students may be read to. All reading counts!)

Sponsor Name	\$ Amount	Method of Payment
